NOTE.—Contn Sheet

File No | of 194 | General and Revenue Secretariat

Serial No

Under Section 32 B of the Rules and Byelaws framed by the Mysore City Municipal Council, the President is competent to deal with such cases

(1) No information is available before us regarding the passing of a similar proposition by the Bangalore City Municipality

11/9

(2) The subject proposed is one which is not in any way connected with the municipal administration of the Mysore City Municipality & should not be allowed to be moved at the Special meeting

[Why should not the proposed resolution be referred to a Confidential board? Yes for perusal 11/9/46

The President's letter is for perusal

(3) The proposition intended to be moved, does not relate directly or indirectly to matters connected with the administration of the Municipality.

It seems a healthy convention to Eschew politics from the purview of

local Self governing institutions and in this view, it is always open to the President of the Municipality to refuse to allow discussion on such subjects under Sec 29 (2) of the City Municipalities Act & also proviso to Sec 27 (3) of the Act read with Sec 32 (B) of the Rules & bye laws framed by the Municipality (Flag R)

11) It is not clear why the President should seek orders of Govt in such matters He cannot obviously make use of any instructions that may be issued by Govt on this behalf to stop discussion of such Controversial subjects

It seems best to tell the President to dispose of the matter according to law. If discretion is used improperly, the subject has to be disallowed. There should

be. no doubt or difficulty-
about it.

My dear Mr Mallaradhya,

In enclosing a copy of the proposition sent by 14 members of the Council to be considered at a Special Meeting of the Municipal Council to be convened for the purpose, I write to state that the proposition relates to the election of members to the Constituent Assembly from the State and does not in anyway pertain to the Municipal Administration As such, I do not think this is a subject which could be allowed to be moved in the Council

In this connection I may point out that a similar proposition under reference has been allowed by the Bangalore City Municipality and a resolution also has been passed by them

I request you kindly to intimate if the subject may be allowed to be moved at the Special Meeting which is fixed for the 18th instant

PTO

I request the favour of a very early reply

Yours sincerely,

J B Mallardahya, Esq , M A ,
Secretary to Government,
